CHANGING ROOM POLICY

These guidelines apply to all adults, and children (all those under 18), sharing changing facilities.

The following policy has been adopted by Swanage Cricket Club within the limited changing facilities we have at present:

- If children play for adult teams, they and their parents, must be informed of the club's policy on changing arrangements.
- If children play for adult teams, the club must have consent from parents that their child(ren) can share a changing room with adults in the club.
- Adults **must not** be alone in the changing room with any child(ren) at any time.
- Adults **must not** change or shower at the same time, if they are using the same facility as children.
- When children play for youth teams, the only adults allowed in the changing room should be youth team staff - only before or after changing has been completed.
- If children are uncomfortable changing or showering at the club, no pressure should be placed on them to do so. Instead, they can change and shower at home.
- Mixed gender teams must have access to separate male and female changing times.
- Mobile phones **must not** be used in changing rooms.
- Adult team captains **must** organise changing times to ensure the policy is adhered to
- This policy should be displayed in all changing rooms at the club.
